

Dear Dr. Pape

I truly want to thank you for such a beautiful job you did on my teeth! Every once in a while I'll pull out an old picture of what they were like before and I can't believe what a huge change there is in the way my smile looks! You do wonderful work and I am so happy to have such a great group of people taking care of my teeth.

I do find myself smiling quite a bit more and loving it!!

Thank you so much
Love Mary Ann
